

Dear Alan and Nick,

Thank you for your outstanding leadership in last fall's inaugural FoodBall event.

It was such a delight to walk into the gorgeous Liberty Grand last October 4 and experience the exquisite, one-of-a-kind creations from more than 40 chefs from around the globe. FoodBall is set to become a signature annual event on Toronto's culinary and social calendar.

Proceeds from the sold-out event supported Sinai Health, Canada's leading integrated health system, pushing the boundaries to realize the best health and care from healthy beginnings to healthy ageing for people with complex health needs.

The collaboration between FoodBall and Sinai Health resulted in the Destination Kitchen exclusive dinner series. These two events raised more than \$800,000 in support of Renew Sinai – Sinai Health's campaign to make Mount Sinai Hospital an even better place to receive and deliver care.

For 2020, we are aiming to raise \$1,000,000 through these events. Your continued support will help us reach our ambitious goal, and help provide our patients with an exceptional care experience.

We believe the very best care comes from the heart. At the heart of every caring home is its kitchen. Renew Sinai is transforming virtually every aging clinical space in the hospital, and our 50-year-old kitchen – in its original state since 1973 – is possibly the oldest space in our hospital. Most of the funds raised at these events will help redesign and rebuild our kitchen.

To learn more about the impact of your generosity, please visit us at supportsinai.ca.

Sincerely,

A handwritten signature in black ink, appearing to read "Louis de Melo".

Louis de Melo, CPA, CMA
